I. Basis of the report

The basis of this international preliminary examination is the application as originally filed.

V. Reasoned statement under Rule 66.2(a)(ii) with regard to novelty, inventive step or industrial applicability

In light of the documents cited in the international search report, it is considered that the invention as defined in the claims meets the criteria mentioned in Article 33 (1) PCT, i.e. it appears to be novel, to involve an inventive step and to be industrially applicable.

Box No. VIII (iv) DECLARATION: INVENTORSHIP (only for the purposes of the designation of the latted States of America)

The declaration must conform to the following standardized wording provided for in Section 214; see Notes to Boxes Nos. VIII, VIII (i) to (v) (in general) and the specific Notes to Box No.VIII (iv). If this Box is not used, this sheet should not be included in the request.

Declaration of inventorship (Rules 4.17(iv) and 51bis.1(a)(iv)) for the purposes of the designation of the United States of America:

for the purposes of the designation of the United States of America:					
hereby declare that I believe I am the original, first and sole (if only one inventor is listed below) or joint (if more than one invens listed below) inventor of the subject matter which is claimed and for which a patent is sought.					
This declaration is directed to the international application of which it forms a part (if filing declaration with application).					
This declaration is directed to international application No. PCT/					
I hereby declare that my residence, mailing address, and citizenship are as stated next to my name.					
I hereby state that I have reviewed and understand the contents of the above-identified international application, including the claim of said application. I have identified in the request of said application, in compliance with PCT Rule 4.10, any claim to foreign priority and I have identified below, under the heading "Prior Applications," by application number, country or Member of the World Trad Organization, day, month and year of filing, any application for a patent or inventor's certificate filed in a country other than the Unite States of America, including any PCT international application designating at least one country other than the United States of America having a filing date before that of the application on which foreign priority is claimed.					
Prior Applications:					
I hereby acknowledge the duty to disclose information that is known by me to be material to patentability as defined by 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the PCT international filing date of the continuation-in-part application.					
I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
